

A RESOLUTION OF THE PINAL COUNTY DEMOCRATIC PARTY CONDEMNING REPUBLICANS

WHEREAS Joseph Biden and Kamala Harris won the 2020 Presidential election in Arizona; and

WHEREAS several frivolous lawsuits were filed by the Arizona Republican Party to try to prove fraud in the election, but none were successful; and

WHEREAS Governor Doug Ducey and Secretary of State Katie Hobbs verified the election for President-elect Joseph Biden, and Vice President elect Kamala Harris; and

WHEREAS despite the failure of the various frivolous lawsuits and the lawful certification of the election, several Republican legislators failed to accept the result of the election and have suggested that the Arizona State Legislature convene a special session and vote to deny the Biden and Harris electors to represent Arizona in the Electoral College vote; and

WHEREAS several of those legislators represent three legislative districts in Pinal County.

NOW, THEREFORE, BE IT RESOLVED THAT the Pinal County Democratic Party strongly opposes any attempt to alter the results of the 2020 Presidential election and condemns and censures the Pinal County Republican elected officials who support such a move to do so.

Agreed and adopted this 10th Day of December, 2020 by the Pinal County Democratic Party.

Respectfully submitted
